IMPACT REPORT

Advancing community
transformation
in Greater Houston
by helping churches
serve local schools

2019

WHAT THEY'RE SAYING...

HEAR FROM LEADERS OF A FEW PARTNERSHIPS THAT LOVING HOUSTON HELPED START

"Common Ground Community Church makes a difference in the lives of many of our students in the KEYS Mentoring Program. They have also worked with our PTA, which is a further support to our school community. Above all, their caring spirits and kind hearts have really been what have made an impact on our school. It is evident that they want to help in every way that they can, and I cannot tell you how grateful we are to have them care for our community so much!! They are making a difference in the many ways that they reach out to help!"

—BRYANT ELEMENTARY, KATY ISD

"We love Fonville Middle School and are appreciative to have a partnership with them and their administration. We love this opportunity to connect with students, to put a smile on their faces, to reassure parents, and to provide resources for both practical and spiritual needs through our partnership. Without this partnership, we would not be able to reach the families in our community."

—EL TABERNACULO ASSEMBLY OF GOD, HOUSTON ISD

"Cy-Fair Christian Church has been wonderfully generous to us. They provide our teachers with wishlist items, which brings our teachers so much joy. One teacher was purchasing snacks for her students out of her own pocket, but the church purchased them for her so now she doesn't have to buy them. Thank you!"

—BRAUTIGAM CENTER, CY-FAIR ISD

Faithful Partnerships Making A Difference

"Keith Lichtie and the other members of The Church at UH have been faithful volunteers and mentors on a weekly basis. The support from the church has helped to propel Blackshear from a school with negative ratings from the state to receiving academic distinctions." (F to a B!)

—BLACKSHEAR ELEMENTARY, HOUSTON ISD

"Pink was a D- school. We had been the lowest-performing school in LCISD, but this past school year we were rated a B! Thinking about what contributed to that success, I think it was the relationships that have been built. Here's what The Bridge does for us in building those relationships: taking time to read to students, to talk to the kids, to do homework with students, and to love the teachers and make sure they have the supplies and materials they need. It's just been a benefit. I see no cons to it; it has truly been a benefit."

—PINK ELEMENTARY, LAMAR CISD

"I am SO thankful for Christina Winstead and Pine Shadows Elementary! Each month when we deliver a treat to the faculty or write them a note of appreciation, WE are the ones that get blessed! Chris and the faculty at PSE are loving, welcoming, loyal, and so appreciative. We love Principal Winstead and PSE!"

—HOUSTON'S FIRST BAPTIST CHURCH, SPRING BRANCH ISD

"Everything that Loving Houston has said that they would do... they have done every inch of it and more. If we had a church partner for every school, that would be my dream!"

—DIRECTOR OF STUDENT SERVICES, LAMAR CISD

"What I love about our partnership with Resurrection Lutheran Church is that it's so easy to talk to them about our needs and that they are so reliable at meeting our needs. It's like we have someone watching over us. Even when they're not here, we know that they are thinking of us and praying for us."

—LEMM ELEMENTARY, KLEIN ISD

"I truly believe it takes a village to support our students, and that is why we are so grateful for the partnership we have with Lamb of God Lutheran Church. The coach loved that they came to support our field day activities. We look forward to future partnership activities."

—OAKS ELEMENTARY, HUMBLE ISD

2019 HIGHLIGHTS

We are investing more in our church-school partnership leaders! In 2019, we brought in four amazing speakers for our Church-School Partnership Leader Gatherings:

- **Pastor Parris Patrick**, *Agape Community Bible Church*
"Understanding Poverty"
- **Blake Thomas**, *Forge for Families*
"Cultural Intelligence"
- **Roxanna Barnes**, *Alief ISD*
"Restorative Discipline"
- **Dr. Ruth Lopez Turley**, *Houston Education Research Consortium*
"Loving Houston Like Jesus Taught"

We started a podcast to inspire and equip church-school partnership leaders! Find "Partner Up: Your Church-School Partnership Podcast" on Spotify, Stitcher, iTunes, Google Podcast, and our website at:

LOVINGHOUSTON.NET/PODCAST

Our most significant accomplishment in 2019 was forming a team of 5 District Coordinators to build relationships with churches and schools in their respective school districts. This on-the-ground support has made such a big difference in the development of individual church-school partnerships as well as the overall culture of church-school partnerships in each district. Pray with us for these leaders and for God to bring us additional leaders in His timing!

LOVING BISD

Mary Leveron and Susan Moore of First Baptist Church Lake Jackson attended a Loving Houston workshop in 2017. They were inspired by the work of Loving Houston and wanted to help start church-school partnerships in Brazosport ISD. Diane Woods expressed interest in this work early on, and soon followed the prompting of the Holy Spirit to take on the Director role at Loving BISD. Praise God that almost every school in Brazosport ISD now has a church partner!
