

FOOD/SUPPLY DISTRIBUTION TIPS

To Engage With Your School Partner

**LOVING
HOUSTON**

FOOD AND SUPPLIES

Help your partner school ensure that every student has access to needed food and supplies. Work with other churches to serve the district or a feeder pattern.

DELIVERY AND DISTRIBUTION

Help to organize delivery or distribution of food and necessities to families who have timing issues or limited transportation.

COUNSELING

If your church has licensed counselors, chaplains, or access to pro bono counseling support, offer these services to students, families, and school staff.

MENTORING

Talk with your school about setting up a virtual mentoring program. Ask if mentors can meet with their mentees via the Internet during school hours, or if they can exchange emails or letters.

TEACHER SUPPORT TIPS

To Engage With Your School Partner

**LOVING
HOUSTON**

TEACHER TREATS AND SUPPLIES

Make sure teachers have all the supplies they need to return back to school this school year. Continue supporting teachers throughout the year with notes of encouragement, treats, and supplies.

ENCOURAGING VIDEOS

Invite volunteers and church staff to record short appreciation videos to share with the school (e.g. one per month).

PRAYER TIPS

To Engage With Your School Partner

**LOVING
HOUSTON**

PRAYER EMAIL

Set up an email address specifically for prayer requests from the school. Invite school staff to send prayer requests to your church's prayer ministry via that email address. (Remember to follow up!)

PRAYER MINISTRY

Start (or continue) an online prayer ministry for the school, and ask school staff to join you. Pray also for the School Board and for district leadership. Offer to pray during a School Board meeting!

CHURCH LEARNING LABS

Consider offering church facilities as a learning lab location for students who will not be returning to class in person but need Internet access for schoolwork. (Be sure to follow CDC Safety Guidelines.)

DONATE DEVICES

Ask your school if any students need a home computer to complete schoolwork. Contact [Technocycle.com](https://www.technocycle.com) to purchase low cost devices to donate.
