SERVE LOCAL SCHOOLS

# IMPACT REPORT 2021

The 2020-2021 school year was very challenging for students, teachers, and school staff. Even though it was also a challenging year for churches, praise God that many churches continued to step up to love their local schools in Jesus' name! In fact, **Loving Houston helped start 27 new church school partnerships during the 2020-2021 school year, even amidst a pandemic!**

## What they're saying...

"Through Loving Houston, Liberty High School was paired with St. Philip Presbyterian. Support, celebrations, and appreciation are not only provided to our students, but our teachers as well. I would like to take this opportunity to SHOUT about the purposeful gifts of dignity and empathy that are provided to our Liberty family and the gratitude I have for Loving Houston. Houston and its schools are bettered through the partnerships that Loving Houston provides."

— Eileen McGowan, Houston ISD —

St Philip Presbyterian | Liberty HS

Long Point Baptist | Landrum MS

Mosaic Community Covenant | Ridgeway ES

"With the help of Loving Houston, we have been able to 'Love Landrum' through monthly goodie bags and even had the opportunity to love on them during the beginning of the pandemic with weekly challenges for gift cards. But the love has not stopped there, as Landrum Middle has returned our love for them. During the Christmas holidays, the choir was able to perform during one of our services, and they have helped us volunteer at many of our community events. Lastly, this relationship with Landrum has allowed us to pour into the students and their families. We have had two different families join our church because of our constant involvement at Landrum. All of these things are just a small sample of what we have been able to do at Landrum. And the truth is, none of this would be possible if we did not have the continual support of Loving Houston. My hope is that in time, every school in the Houston area will be partnered with a church body as we all continue Loving Houston."

— Pastor Kevin Alvarez, Long Point Baptist Church —

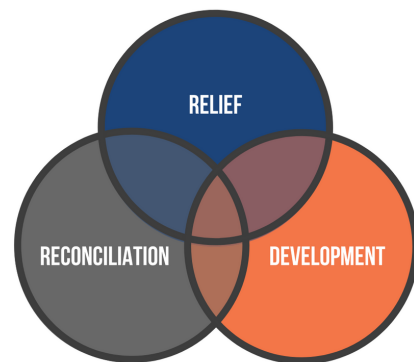

## COMMUNITY TRANSFORMATION MODEL

**Our new Community Transformation Model clarifies the purpose of our church school partnership volunteer opportunities:**

**RELIEF: Meeting immediate needs.** "Is not this the fast that I choose... Is it not to share your bread with the hungry and bring the homeless poor into your house; when you see the naked, to cover him..." Isaiah 58:6-7

**RECONCILIATION: Restoring relationships with God and others.** "All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation." II Corinthians 5:18

**DEVELOPMENT: Working together for the flourishing of the community.** "Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause." Isaiah 1:17

## Get Involved!

**To inspire and equip more churches to love our local schools in Jesus' name, give a monthly gift, a one-time gift, or a gift of stocks or non-liquid gifts at [lovinghouston.net/donate](https://lovinghouston.net/donate)**

**Thousands of children across Greater Houston are returning to the classroom this fall for the first time in more than a year!**

Teachers and administrators are asking for adult role models to support their students emotionally and academically, and for churches to pray for and encourage students and staff spiritually. Church school partnerships are needed more than ever before. Thank you for making this all possible! Find out more at [lovinghouston.net/getinvolved](https://lovinghouston.net/getinvolved).
